How to Make a Baked Rhubarb Pudding.

Five sticks of rhubarb, one-quarter pound of pounded sugar, one-quarter pound of butter, some stale bread. Line a pie dish with slices of bread and butter, cover with cut up rhubarb strewed with sugar and thin slices of bread and butter, and so on alternately until the dish is full, having the rhubarb and sugar on the top; cover with a plate and bake one-half hour. Serve hot.

How to Make Watermelon and Peach Ice.

Watermelon Ice.—Select very ripe and a very red watermelon. Save all the water and scrape all the red pulp fine. Allow a pound of sugar to a gallon of this liquid and freeze. When the ice is half frozen, add the well beaten whites of 3 eggs and stir the mass frequently from the bottom with a wooden spatula. The flavor of this ice naturally depends largely upon the quality of the melon.

Peach Ice.—Select a dozen nice ripe peaches, 2 lemons and 3 pints of clarified sugar. Pare the peaches and press the pulp through a sieve; then add the clarified sugar and lemon juice and freeze. When nicely frozen, mix thoroughly with the ice a meringue made of the whites of 2 eggs and 4 tablespoons of sugar. Set away for an hour before serving.

How to Make a Dainty Pudding.

This delicious pudding is made from half a cupful of rice, 3 eggs, 2 cupfuls of milk, half a cupful of sugar and a pint of whipped cream. Boil the rice until tender, putting it on to cook in a pint of cold water; add a pinch of salt, and when cooked nearly dry put the rice in your double boiler with 2 cupfuls of milk. Cook until all the milk is absorbed and then put through a sieve. Return the rice to the boiler; add the 3 eggs, beaten until light, and the sugar. When cold, flavor mix thoroughly with the whipped cream, beating it into rice, and freeze.

How to Make Baked Plum Pudding.

Eight crackers rolled fine, 4 eggs well beaten, a quart of milk, three-fourths cup of sugar, 2 tablespoonfuls butter, one-fourth teaspoonful salt, one-fourth nutmeg, one-half teaspoonful cinnamon, a pound raisins, seeded. Mix all but eggs, then add them, beaten very light. Bake in a moderate oven about an hour and a half.

Climate of every variety exerts a different influence on the desires of mankind for a stimulant. In colder zones beverages of great alcoholic strength are used to a very much larger degree than in the tropics. Beer is best suited to our climate and none found in the market is better than that bearing the brand of "PABST, MILWAUKEE." It is brewed from the best of malt and hops and is a great thirst quencher and invigorator and stimulates the nerves and muscles. At the Royal, Cosmopolitan and Pacific saloons it may be found, cold and pure. Interchangeable checks are issued which may be used at any of the three resorts.
